- Communication
- Quantitative Ability
- Analytical Reasoning
- Logical Reasoning

FORTE

- Front-end Development
- Full Stack Development

PROJECTS

1) Mini project –

Developed a website for MIIT using HTML, CSS and JavaScript with Bootstrap Framework. This was a real-time project, hosted and live now with diminished issues on responsiveness.

2) Major project –

Developed webpages and database for the backend processing system of my college website using React.JS, Material-UI Framework and MySQL.

3) Developed a Landing page for our college using HTML Templates.
